

Addressing the Genuine Student Criterion

1. Please provide details of your current circumstances, including ties to family, community, employment and economic circumstances, and address any academic or professional gap of more than six months.
 - Briefly introduce yourself and your current situation
 - Explain your family situation, including their economic status
 - Include incentives to return such as assets, family business, land etc

My name is **XXX**, from **XXX, XXX, XXX**, Nepal. I completed Grade XII in August 2024. My search for a suitable program led me to **XXX** in Australia, where I found a Bachelor of Business with a major in Digital Business, aligning perfectly with my interests. My family, with an annual income of **XXX**, is highly supportive of my education. They have also secured an education loan of **XXX** to cover my tuition and expenses. I share a strong emotional bond with my parents, who have made significant sacrifices for my future. After my studies, I am committed to returning to Nepal to care for them, manage our family assets, and contribute to Nepal's growing business sector. This reflects my dedication to upholding our family legacy and supporting local community development.

2. Explain why you are not studying this course in your home country
 - Why Australia/ **XXX** over other options
 - Demonstrate your understanding of the course
 - Demonstrate your understanding of living in Australia (costs, etc.)
 - Provide study and employment history and explain how your chosen course relates/builds on this

I am applying to the Bachelor of Business, majoring in Digital Business, at **XXX** because it aligns with my passion for integrating business and technology. Australia's practical teaching approach, globally recognized education system, and safe environment for international students make it the ideal study destination. Australia offers advanced infrastructure and opportunities for part-time work alongside studies. **XXX** stands out for its strong rankings, including being in the top 1% of universities worldwide (Times Higher Education), and its **XXX**-accredited business programs. The university's industry collaborations and focus on innovation provide students with job-ready skills and practical experience. With diverse accommodation options, **XXX** ensures supportive and convenient student experience.

Detail how this course will assist you to achieve your goals/give you advantages in the job market.

- Explain your career goal – job type, companies/organizations you aim to work for, expected salary (based on research)
- Demonstrate how you expect to get a return on your investment (show costings, time to recover)

My career goal is to work in Nepal's digital business sector, focusing on roles that merge business management with technology. I aspire to join companies involved in digital transformation, online business platforms, or tech-driven industries like e-commerce, digital marketing, and innovative startups such as XXX or XXX. My vision is to help these businesses grow by implementing advanced digital strategies, leveraging skills in artificial intelligence, social media, and XXX to drive success.

After completing my course at XXX, I plan to pursue roles such as Digital Marketing Specialist, Business Analyst, E-commerce Manager, or Technology Consultant in. Target organizations include XXX 1, XXX, XXX, XXX, XXX, and XXX. These positions will allow me to utilize my expertise in digital business to modernize traditional businesses, support startups, and contribute to the growth of Nepal's digital economy.

4. Please provide any other relevant information that demonstrates that you are a genuine student. For more information, please refer to **Ministerial Direction No. 106**

I am determined to return to Nepal after completing my studies to honor my family's sacrifices and support them in their old age. As an only child, I feel a profound responsibility towards my parents and am deeply rooted in our culture and traditions. Family has always been my priority, and I plan to settle down, get married, and build a life in Nepal. Regarding immigration history, I have not previously applied for a visa or lived in another country, ensuring a clean and straightforward application process. My intent is solely academic, with a commitment to utilizing my education to contribute to Nepal's development while cherishing my familial bonds.
